Money is more active at 7 1/2 cent, and more difficulty was shown in making up accounts than for several days. Bank managers are still prudent, and wait for Mr. Chase's annual report...

The deposits for 5-20s to-day were \$740,000. The new series of bonds will soon be ready, when an increase in the sales may be expected.

The European mails per steamer Scotia have been received.

From the London Economist, 21st.

Discount on Moscow market is very liberal and probably of a further advance in the bank rate has probably been the chief cause of the increase in prices...

On the Stock Exchange the charge for loans on Government securities has fallen to 4 1/2 per cent.

The prices of the Government bonds have been tolerably steady, the uncertainty of the money market and the fact that the Treasury is not likely to issue any more bonds...

On the 4th of December the following were the closing prices of the principal stocks...
